

# DECT 1000 user manual addendum

## Page 24:

1. Before pressing and holding the intercom button, if a handset is currently on the cradle it must be removed.  
Press and hold the paging button  on the BASE unit for approx 10 seconds until the indicator  starts flashing. Registration mode will remain active for one minute.
2. Press /OK. Scroll to BASE SUB. Press /OK.

## Page 28 1st line:

The OGM is your message to the caller and may be up to **2** minutes in length.

## Page 31 1st line:

A personal message – a MEMO (up to 2 minutes in length) – . . . . .
